2026 Golf Lesson Programs

Redwoods36 Level 1

Ages 9-16 | \$240 per person | 4 per group

Lesson Length: six consecutive weeks, one hour per week

Redwoods36 Level 1 is designed to help your child transition from learning basic golf skills to confidently playing on the golf course. Building on the foundation developed in the Junior Fairway Fun/Camp Redwoods programs, this level introduces on-course play with a clear focus on helping kids understand how to get the ball in the hole in the fewest shots possible.

The first class introduces your child to basic golf rules and on-course etiquette, followed by a 9-hole assessment starting from 25 yards. Lessons 2-5 focus on skill development through structured instruction in putting, chipping, and full swing. The final class is an on-course assessment where students attempt to shoot 36 or less from 25 yards. Successfully completing this milestone allows them to progress to Redwoods36 Level 2.
